### PROFESSIONAL EDUCATION

Whether you are new to an industry or have decades of experience, continuing your education and learning what's new in the field is critical to build your career and maintain your success. CPS offers a robust suite of 30+ professional education programs and courses both online and on campus to provide the skills and expertise professionals need to get ahead.

Students have the choice of enrolling in courses or full certificate programs, but should check any potential restrictions if they are receiving educational benefits from a government, corporation or other entity. In addition, they must meet any prerequisite requirements.

» Military-connected students are eligible to receive a 15% discount on Professional Education (non-credit) courses. »

## ABOUT THE COLLEGE

Villanova University's College of Professional Studies (CPS) provides an academically rigorous education to high-achieving adults who are balancing educational and professional aspirations with life's commitments. CPS offers learners of all ages a transformative, academically challenging and results-driven collegiate education experience that embodies Villanova's century-long commitment to expand access to academic excellence for students at all stages of their lives.

CPS offers premier, relevant, and innovative programs, in areas such as public service and administration, organizational development and management, Lean Six Sigma and project management. Taught by an engaging faculty of scholars and practitioners, our applied programs offer pathways for adult students to enrich their lives, enhance their value in the workplace, and pursue new careers.

## FLEXIBLE FORMATS TO PURSUE YOUR GOALS

CPS is built flexibly to meet the needs of our adult students and we offer a wide range of bachelor's degree programs, credit-bearing certificates and professional education (non-credit) programs. Whether you're active duty, reserves, retired military or a military family member, CPS has an online, on-campus, or hybrid program to meet your needs.

## A COMMITMENT TO STRENGTHENING THE LIVES OF VETERANS, MILITARY PERSONNEL, THEIR FAMILIES AND OUR COMMUNITY

Villanova University is dedicated to assisting veterans and their dependents reach personal, professional and academic goals. The Office of Veterans and Military Service Members is committed to guiding each individual from admissions to graduation, and beyond. Intentionality informs everything we do, meaning that we are focused on assisting those we serve to become the next generation of leaders and problem-solvers.

Military affinity groups and campus events tailored to the military community make the Villanova student experience personal and relatable for our service members.

Military-connected students often utilize the Villanova University Career Center, which offers specialized career support to assist veterans in identifying transferrable skill sets that align with future career aspirations and goals.

## A HIGH-QUALITY, AFFORDABLE EDUCATION

Villanova is committed to making our high-quality education affordable by providing students with financial assistance, which may include a combination of grants, scholarships and loans. In addition, Villanova participates in the Yellow Ribbon Program.

The Yellow Ribbon Program offers participating students additional funding towards the cost of tuition and fees that exceed the tuition and fee amounts payable under the Post-9/11 GI Bill®.

To be considered, qualifying students must:

- Be eligible for the maximum benefit rate under the Post-9/11 GI Bill®
- Not be serving on active duty or as a spouse of an active duty member utilizing the transferred entitlement
- Be accepted into or already enrolled in a degree program at Villanova University
- Submit a copy of their Certificate of Eligibility (COE) to Villanova University's School Certifying Official.

Visit [yellowribbon.villanova.edu](http://yellowribbon.villanova.edu) for the full details of Villanova's Yellow Ribbon Program.
